STEWARDS' DECISION

From: The Stewards

To: DINAMIC GT

The Stewards, having received a report from the Race Director, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 54 - ANGUS WHITESIDE

Competitor: DINAMIC GT

Time: 00:36

Session: Night Practice

Fact: Driver Whiteside did not complete the minimum timed laps during Night Practice

Offence: Breach of Article 235.4.3 of the GT World Challenge Europe powered by AWS 2026 Sporting Regulations

Decision: No Further Action. Driver Whiteside is allowed to take part in the remainder of the competition.

Reason: Driver Whiteside completed two laps without a full lap from Timing Line to Timing Line. The Team Manager explained the car suffered damage to several mechanical components and, as a result, it has not been possible to repair the vehicle in time for the driver to complete the two mandatory timed laps. The Team Manager added that the driver already has experience driving in night-time conditions, having participated in this year's 24H Dubai, where he drove during the night and he drove during Qualifying 4, which was held under night time conditions tonight. Having considering this matter extensively, the Stewards consider the mechanical problem as a force majeure situation and that the driver has enough experience in the circuit and night sessions, and decided to allow the driver to take part in the remainder of the competition.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
