STEWARDS' DECISION

From: The Stewards

To: Tsunami RT

The Stewards, having received a report from the Race Director, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 79 -

Competitor: Tsunami RT

Time: 00:36

Session: Night Practice

Fact: Drivers from car #79 did not complete the minimum timed laps during Night Practice

Offence: Breach of Article 235.4.3 of the GT World Challenge Europe powered by AWS 2026 Sporting Regulations

Decision: No Further Action. Drivers from car #79 are allowed to take part in the remainder of the competition.

Reason: As explained by the team representative, due to a mechanical problem car #79 could not take part in the Night Practice. Having considering this matter extensively, the Stewards consider the mechanical problem as a force majeure situation and that the drivers have enough experience in the circuit and night sessions, and decided to allow the drivers to take part in the remainder of the competition.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
