## STEWARDS' DECISION

**From:** The Stewards

**To:** Walkenhorst Motorsport

The Stewards, having received a report from the Technical Delegate, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 34 -

**Competitor:** Walkenhorst Motorsport

**Time:** 19:05

**Session:** Superpole

**Fact:** Car #34 failed to comply with the applicable BOP

**Offence:** Breach of Article 507.1 of the GT World Challenge Europe powered by AWS 2026 Sporting Regulations

**Decision:** Deletion of all laptimes set during the Superpole sessions (= Superpole 1, 2, 3 and 4).

**Reason:** The Competitor was summoned and heard before the decision was taken. According to the report of the Technical Delegate, the car recorded an overboost of 16 mbar during the session. During the hearing, the team did not have any objections with the measurement. After considering the matter extensively, the Stewards agreed that a breach of the regulations was committed and decide to apply the above penalty

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
