The Stewards notify those concerned of the following:

Pit Lane

Due to the particular configuration of the pit-lane at Jeddah Circuit, during the race the cars are authorized to stop nose in for the pit stops, whenever there is not enough space to park parallel. This will be confirmed by the Pit-Lane Manager.

The car should be put in a parallel position with the help of skates to start the pit stop.

When the pit stop is finished, it is allowed to use skates in order to turn the car towards the fast lane to rejoin the track.

Timetable:

The Official version of the timetable is now V2 – 29/11/2024.
